

## **Attention POAC State Clubs, Chapters, and Specialty Show Host Groups...**

Beginning January 1, 2019, the Show Fee Requirement for all Approved POA Shows that are submitted with the show results have changed. For all show types (excluding Classics, Regionals, World, and Congress) the National Pony Fee will be \$7/pony regardless of whether it is a halter only or a performance POA. In addition to the pony fees, you must submit \$1 per entry for all POA Approved Classes held at your show (excluding halter champion classes). This total would be the total number competing if you add up all of your judges' cards for all of the classes that are POAC Approved Classes in the POAC Handbook. Thank you for your cooperation in making this change in submitting show results to the National POAC. **Remember, this begins January 1, 2019!**
